Join us for a Members-only Garden Tour June 24th, 2025

Join us June 24th for a progressive garden tour through five member gardens in three Easton neighborhoods. Carpooling is recommended. Bring a lunch to enjoy at the end of the tour. Water will be available at each stop. Water, iced tea, and cookies will be available at the end of the tour.

27950 Dixon Creek Lane

We will begin at 10 a.m. in Madeleine Cohen's gardens in Radcliffe Farm. Her cottage gardens feature flowering trees and shrubs with herb and perennial borders that bloom year-round, attracting pollinators and supplying their home with cooking herbs and florals.

8117 Leehaven Road

Around 10:30 a.m. we'll head down Leehaven Road to Paige Connelly's gardens. There you'll follow graceful and winding paths through mature gardens on several levels.

Photo of Dede Hoopes' Garden

8075 Leehaven Road

From there we will continue a short distance to Dede Hoopes' property where we'll enjoy Dede's shade gardens, cottage garden, and a new experimental native garden on her historic property.

Around 11:30 a.m. we'll head down St. Michaels Road to Travelers Rest for our final two stops.

7178 Travelers Rest Circle

First stop is Pam Keeton's property where we'll get a tour of her flower farm, orchard, new meadow, and vegetable garden. Her property also features a rain garden.

27340 Avonbourne Lane

Our last stop will be in Travelers Rest, the fantastic property of Virginia Sappington. We'll tour Virginia's beautiful gardens and enjoy lunch and refreshments on her waterfront patio overlooking the Tred Avon River.

Suggestions for parking and carpooling:

We are asking everyone to carpool to minimize parking at members' homes. There are three meeting spots conveniently located near where members live:

1. The "pincushion" at St. Michaels Rd. and Unionville Rd. for those coming from St. Michaels and points west.
2. The new Town of Easton trail parking area off Marlborough at the Easton Village traffic light for those coming from Easton.
3. The parking area at Oxford Rd. and Cedar Point Rd. for those coming from Oxford.

Please do not park in the driveways of the tour homes as we have several members doing a driving tour due to mobility issues.

Please RSVP to Pam Keeton at pvkeeton@yahoo.com
or call her at 202-904-7265 if you have questions.
(If you RSVP'd for the old date, she has your name.)
