FLOWERS OF HAWAII

Travel has eluded most of us over these past many months....but one of our members is currently traveling in Kona on the big island of Hawaii. So this week's Tid Bits will feature some of the beautiful flowers that Kim has seen during her travels, allowing us to share in the beauty that Hawaii has to offer.....

Many thanks Kim, and safe travels!

Torch Ginger in Bud

*Medanilla magnifica –
Rose Grape*

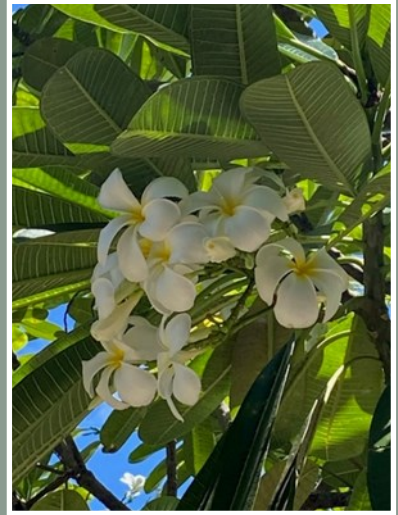

Heliconia (endangered)

Orthosiphon aristatus –
Cat's Whiskers

Heliconia

Plumeria

Torch Ginger

Any Guesses on this one??

Any Guesses on this one??

Kim thought you might like to guess on these last two!
