FESTIVAL OF TREES

One of the joys of the holiday season is the Talbot Hospice Festival of Trees. Each year since 1986, beginning on the Friday after Thanksgiving, the work of many of our friends in Talbot County shine with their beautiful Christmas Tree creations.

For the past several years Cordy Tucker and her Young Gardener Committee have helped the kids make handmade ornaments for their tree to be displayed at the Festival.

A few of our very talented members also contributed to the Festival of Trees:

Boots Michalak

Harriett Slaughter

Alden Firth and
Joan Conner

Chesapeake Blooms

PS: Hopefully I did not miss anyone....my apologies if I did.....Trish
